

FROZEN DESSERT

INGREDIENTS	%
Butterfat	10.0
Nonfat Dry Milk	5.0
Teklac[®] Enhance[™]	5.0
Sugar	12.0
Corn Syrup Solids	6.0
Stabilizer and Emulsifier	0.4
Flavor	To suit market
Total Solids	38.4

PROCEDURE

1. Combine all ingredients into liquid product.
2. Pasteurize and homogenize.
3. Freeze, fill and harden.

BENEFITS

Teklac Enhance, specially processed sweet dairy whey, allows the substitution of higher levels of whey for more expensive ingredients like nonfat dry milk without the off-flavors typical of increased whey usage.
