

SOFT-SERVE FROZEN DESSERT

INGREDIENTS	%
Butterfat	3.0
Nonfat Dry Milk	6.0
Nutritek[®] 250 , reduced minerals whey	6.0
Cane or Beet Sugar	10.0
Corn Syrup Solids, 36 DE	8.0
Stabilizer	0.5
Emulsifier	0.5
Flavor	To suit market
Water	66.0

PROCEDURE

1. Combine all ingredients into liquid product.
2. Pasteurize and homogenize.
3. Freeze and serve from commercial soft-serve freezer.

BENEFITS

Nutritek 250 provides economical dairy solids, without the salty flavor typically encountered with the full mineral level of whey solids.
