## Foremost Farms USA Donates Cardiac Monitor to Baraboo Hospital

Foremost Farms USA recently made a donation of \$10,000 to the St. Clare Health Care Foundation, Baraboo, Wis., to purchase a new cardiac monitor which will make it possible for patients arriving at the hospital with chest pains to get rapid access to an EKG. St. Clare Hospital's Emergency Department, which is staffed by emergency board-certified Madison Emergency Physicians, treats over 20,000 patients annually. This means the need for additional cardiac monitors is crucial to the prompt and accurate care of the patients served at the facility.

Shown, left to right, are St. Clare Health Care Foundation representatives Keri Olson, Nancy O'Donnell and Luanne Luebke Dregne, St. Clare Hospital President Sandy Anderson, and Joan Behr, Director of Communications & Brand Management, Foremost Farms USA.
