PROCEDURE

1. Dry blend all ingredients.
2. Combine 6 ounces of tomato paste and 18 ounces of water in saucepan.
3. Add 1.6 ounces (45 grams) of the spaghetti sauce mix and 1 tablespoon of cooking oil. Stir together with a wire whip or spatula.
4. Place saucepan on stove and cook at medium heat until mixture starts to boil.
5. Simmer about 10 minutes.

BENEFITS

Nutritek 250's reduced mineral content imparts a clean flavor, which enhances spice and cheese notes.
