

# FOREMOST FARMS INTERNSHIP PROGRAM

Each year, our summer internship program brings students into Foremost Farms plants and headquarters to bolster their careers with valuable experiences and networking opportunities. Our internship program is rich in portfolio-enhancing projects and robust projects. Foremost Farms values innovation and employee development. You'll get the opportunity to develop your skills and abilities as you work on hands-on projects with tenured industry leaders and mentors.

As an intern of Foremost Farms, you'll enjoy competitive pay, housing assistance and unforgettable team building events. Whether you're looking for an internship with a broad array of opportunities across numerous corporate departments, or for a job specific to food manufacturing or the dairy business, Foremost Farms has opportunities to match your needs.

***Read what our former interns have to say about the program!***

**“The team I work with wants to help me learn, contribute and achieve my goals for the summer, and I really appreciate the focus on personal interest and mentorship.”**

*– Bethany Johnson, Cheese Technology Intern, hired full-time after internship as Dairy Product Technologist*

**“Other students should definitely consider interning at Foremost Farms because it is such an employee-focused organization. You can tell that the executive leadership team truly cares about the development of their employees, and they put the necessary resources toward it.”**

*– Carlie Servais, Human Resources, Learning and Development Intern, hired full-time after internship as Sr. Learning and Development Specialist*

**“There are plenty of very intelligent and successful people that are more than willing to give you as much as advice as they can. Overall, it is a fantastic experience that I am very grateful for!”**

*– Alex Lawrence, Dairy Analytics Intern*
