FOREMOST FARMS ANNOUNCES 2024 SCHOLARSHIP RECIPIENTS

Middleton, Wisc. (Date, 2024)—Foremost Farms awarded fourteen students with \$3,000 each to help fund their post-secondary education as part of the Foremost Farms Foundation’s Agricultural Education and Cow-lege Cash annual scholarship program, for a total of \$42,000.

Each spring, Foremost Farms proudly awards scholarships to children of seven Foremost Farms employees and seven member farmers based on academic success and community involvement. This scholarship program stands as a testament to Foremost Farms’ dedication to nurturing educational excellence, upholding the pledge to serve as a Force for Good in the communities we serve.

“We strive to be a “Force for Good” in the communities we serve, which is one of the [four core values](#) at Foremost Farms,” said Greg Schlafer, President and CEO. “We want to create opportunities for student achievement and contribute to the next generation of workforce success.”

This year’s scholars’ intended continuing education programs include agriculture, health care, criminal justice and marketing.
